# "JUDAS" BUCKLEY SELLS OUT WELCH FOR 30 thousand PIECES OF NATIONAL REVIEW!

AMERICAN NAZI PARTY
*official publication*

The ROCKWELL REPORT is a twice-a-month Washington newsletter published at 928 North Randolph Street, Arlington, Virginia, USA. 50¢ per single copy. Ten dollars per year. Eleven Dollars Overseas and Canada. Thirteen dollars, Air Mail.... Not responsible for unsolicited manuscripts. Clippings and news items welcomed..

Readers of my book "THIS TIME THE WORLD", will remember the amazing revelations of the Jewish influences which actually launched and finally wrecked the great American patriot, Joe McCarthy. If every "conservative" and right-winger could know that story there would be no need for this newsletter, but the evidence unhappily shows that "our kind of people" continue to make the same mistake which wrecked and finally killed the redoubtable Joe McCarthy.

Literally millions of good Americans are presently battling valiantly against Jewish Communism - under the same kind of Jewish leadership which destroyed McCarthy.

For this reason it will be necessary to repeat here briefly the damning facts of the Jewish sabotage of Joe McCarthy.

Informed readers will recall that in the 1950's there was a steady stream of convictions of Communist-Soviet spies and almost all of them were Jews, like the Rosenbergs, Judith Coplon, Harry Gold, Moskowitz, Jacob Golos, Weinbaum, Fred Rose (Rosenberg), Sam Carr (Cohen), etc., etc. The Jewishness of Communism was becoming painfully apparent even to America's ignorant and brain-washed masses.

The head Jew, Bernard Baruch, called Joe McCarthy up to his New York apartment and told him that there was a need of an anti-Communist crusade, but that there was an unfortunate idea getting around that Communism was Jewish, because of so many Jew spies. Would Joe conduct a good, exciting Red hunt, - being a little "fairer" and digging up some Gentile, NON-Jewish spies? If Joe would do this, Bernie would see that there was good publicity and advancement in it for Joe. McCarthy could smell the flavor of this, but, like many a shabez-Goy before him imagined he would out-fox the Jew. When the time came, he would use the publicity and backing to drag out ALL the Communists, Jew and Gentile alike. So Joe agreed to conduct the great hunt, and started in Wheeling, West Virginia. He promised to identify the "master red agent" in America, and made a lot of charges about Communism in the State Department.

Then he was approached by his "good" Jew friend, George Sokolsky, (the columnist who worked with "agrarian reformer" Sun Yat Sen in China) and warned of the danger of being accused of being an "anti-Semite", because of the mere chance presence of so many Jews in the Communist apparatus. "Why not guard against this by taking a 'good' Jew as head of your staff?" wheedled George, "then they couldn't say you were anti-Semitic!"

Joe thought this was pretty good, and George just happened to have in mind the right Jew, Roy Cohn. The matter was soon arranged, and Cohn the Jew became the organizer of "McCarthyism".

Then Cohn approached fighting Joe, and suggested that, since they needed contributions and more help, and wanted to be doubly sure not to be charged with being anti-Semitic, it might be wise to hire a wonderful rich young Jew friend of his, Dave Schine, for the staff. Again, McCarthy went along with this brilliant stroke.

When all was in readiness, McCarthy duly brought out his big red fish, as promised, - and it turned out to be a college professor named Owen Lattimore, - a Gentile! Nobody heard much of him before or since, but in the middle of the trials of more than twenty JEWISH Soviet SPIES, - Lattimore was dragged back and forth in the press as the REAL RED HERRING, - a GENTILE Herring, with suitable screaming back and forth by both "sides". Bernie did a fine job.

McCarthy, through all this, figured he was smarter than his manipulators, and, when a REPUBLICAN got into power, he would then go after ALL the reds, Jew and Gentile, and let the chips fall where they may. However, for the moment, here was the man the Jew papers and the Daily Worker were screaming "murder" about, SET UP by a Jew, ADVISED by a Jew, and STAFFED by two Jews.

The loyal and hardworking staff now set about displaying "McCarthyism" to the world. Cohn and Schine, the two Jews, made a whirlwind tour of Europe, visiting libraries of the U.S. Information Service, which are, as a matter of fact LOADED with red and pink propaganda. But they did NOT do a responsible job of exposing and stopping this rotten use of U.S. taxpayer's money to spread Marxism. Instead they had tantrums for the press, threw books on the floor, and acted like two idiots. Nobody noticed that they were two JEWS, but the press and everybody in the world heard about the insanity of "McCarthyism"!

The election was by now in full swing, and McCarthy went to bat for Ike, dreaming sneakily of the day he would not have Truman to stop him, and could REALLY dig out Communists, no matter how many of them were Jews!

Sure enough, Ike was elected, - and McCarthy pulled the plug, floored the accelerator, touched off the boosters, and let go with all he had.

He went to Fort Monmouth, to our most

secret radar Laboratories, and discovered 41 people with atrocious security records and highly suspicious activities as reds. THIRTY NINE OF THEM WERE JEWS. Then he found a Jew dentist named Irving Peress who had been caught red-handed committing perjury in denying his red record. McCarthy asked the Defense Department to look into it and report the circumstances. Instead of doing this, the Anna Rosenberg-dominated Army PROMOTED Peress, and mustered him out, beyond the reach of court-martial, in ONE DAY!

McCarthy, righteously lusting for blood, went after Irving and demanded to know WHO PROMOTED THIS COMMUNIST? He would have eventually been led to Anna, the writer of articles for the New Masses, and member of the Communist John Reed Clubs, and perhaps on to Secretary Marshall, who boasted that he personally disarmed the Nationalist Chinese with a stroke of his pen and thus turned China over to Communism.

So McCarthy's two Jew "assistants", Cohn and Schine went into action, again.

Schine was drafted into the Army, and Cohn, in the name of McCarthy, called and tried to get favors for him by influence. This was a perfectly wonderful red herring to take the heat off that question of how come a communist Jew dentist who got caught perjuring himself was promoted and mustered out before he could be court-martialed. Once more, the two Jews, not Joe McCarthy, were the source of the "McCarthyism" and dirty playing which became the cause of the downfall of a truly brave and great-hearted man.

Now the same Hebrew Judas who so brilliantly wrecked McCarthy has become even more arrogant in going after McCarthy's nearest ideological survivor, William F. Buckley, Jr. - and it can be confidently predicted that the Jew Cohn will "get" his next victim (Buckley) as neatly as he "got" Joe McCarthy.

It's all in the family. Buckley is married to the sister of Brent Bozell, the conservative who worked in McCarthy's office and wrote many of his speeches. And Buckley has now "crawled into bed" with "Judas" Cohn.

The American Nazi Party, through absolutely reliable agents we have in all right-wing organizations, has learned with sufficient certainty to dare Buckley or Cohn to file a libel suit, that Mr. Buckley has actually "sold-out" to the Jew Cohn!

AND WITH DEVASTATING POETIC JUSTICE THE PRICE EVEN INVOLVES THE FIGURE 30!

Here are the facts:

Roy Cohn is presently running for political office as a "radical liberal" in New York State (thus showing his "true" Jew colors). This rich Hebrew has just purchased a major interest in the same distributing company which once distributed nationally my own magazine "U.S. LADY", Capital Distributing Co., Inc. of Derby, Connecticut. Through my own business dealings with Capital Distributing Co., Inc., I know from personal experience the head Hebrew and can assure the gentle reader that he is thoroughly typical of the race. I dealt with him only because I HAD to. "U.S. LADY" was a brand-new magazine - very speculative and I could get it distributed nationally only by such an outfit as Capital, even though I was appalled at the shady and disgraceful other magazines in their "stable" next to me.

Readers will reflect that in the past month or so there has been a concerted effort by the A.D.A., Senator Goldwater, Sokolsky and all other "responsible" (Jew or Jew-dominated) right-wingers to oust Robert Welch from leadership of his own John Birch Society. Every Jewish rag in the country is screaming about the "fascist" John Birch Society and its terrible "fuhrer" Robert Welch, even though Mr. Welch pusilanimously and endlessly declares his undying love of Jews and everything Jewish. The Jews know with unerring precision that as long as Welch retains authoritarian control of his organization they cannot manipulate it and wreck it or subvert it. Therefore, every engine of the Jewish apparatus in America from the Communist Party clear over to the "super-conservative" Hebrew, Goldwater, is out to "get" poor mixed-up Mr. Welch, in spite of his Jew-loving protestations. Under these circumstances Roy Cohn, the Jew who "got" McCarthy, and who is now running openly for office as a "radical liberal" has made a real "Judas" deal with Mr. Buckley.

Capital Distributing Co. with our Jewish friend, Cohn, rigging the deal has recently guaranteed to distribute nationally exactly Thirty Thousand copies of "National Review" for arch-conservative Buckley!

(Does the figure 30 there not sound familiar? Perhaps it will be easier to make a connection if we mention 30 pieces of silver?)

"Strangely" enough, right after making this "30 pieces of silver" deal, Buckley comes out with a scathing attack against embattled Robert Welch! - And every liberal, left-wing and Communist rag in the country happily quotes from their "arch-enemy", Buckley, to discredit and harrass poor naive Mr. Welch.

With the Jew Marvin Liebman, the "radical liberal" who "used to be" a Communist Party member running the kiddies in YAF, with the Jews Sokolsky and Goldwater leading the "grown-up" conservatives, and with Buckley now working with Roy Cohn on a naked sell-out deal for 30,000 "pieces of silver", how in the name of reason can any thinking and informed American imagine that "conservativism" - even radical conservativism can save our perishing nation and race?

It's all very discouraging and depressing - unless one has read the "script".

But fortunately all of this is expected by those who know the recurrent pattern in every nation attacked by Jewish Communism, Zionism and moral subversion.

Germany is especially instructive. In the 1920's there were literally THOUSANDS of what we would call "conservative organizations" attempting to save the country by "nice", non-radical methods. They were known then as "nationalist" parties.

Almost without exception, these nice "nationalists" hated and damned Hitler and his Nazis, often going so far in their hate as to accuse the Nazis of being "agents provocateur" for the Jews. That situation is repeating itself with uncanny precision here in America.

As the Bolshevik subversion, integration and chaos spreads, informed people will become increasingly desperate. As long as they have their jobs, their bank accounts, and their luxury, their selfish reactionary-ism will keep any real effort to save ourselves from succeeding. I have learned from bitter experience that great Americans who will face any odds and dangers in military combat heroically, are the most craven cowards when it comes to facing Jew smears, loss of income, family comfort and the present suburban soft life.

Jews like Goldwater, Sokolsky and Cohn have been given the task of leading awakening Americans down the cul-de-sac of feeble Jew-loving "conservativism" until they are ready with their usual Bolshevik take-over and revolution.

Judases, like Buckley, will survive and succeed only so long as the rich men who back them prefer their money to their honor.

But, just as in Germany, the day will come, - and it is fast approaching, when these rich reactionaries will feel the hairy claw of the Jew plotters reaching into their wallet pockets and their purses. When this happened in Germany the rich industrialists and reactionaries wanted no more of the "nice" nationalists (conservatives). Just as a man who is attacked by robbers and murderers in the streets does not want social workers but policemen - so the millions who are now flocking to Hargis, Schwartz, Buckley and all the rest of the panty-waist conservatives will turn gratefully to the tough battle-hardened cadres of the American Nazi Party when they find they are sold-out and betrayed by these cowardly fakers.

America is fed up with pansy, panty-waist leadership. It is lost, confused, disgusted, discouraged and becoming angry.

These sell-outs and the rise of the "pansy-conservative" are inevitable and necessary parts of the fight of a people to survive against the deadly attack of the Jew Bolsheviks, race mixers, and moral subverters. They cannot be bypassed or skipped over. Mr. Welch, Mr. Buckley, General Walker and many of the others whom I believe to be basically sincere, must learn their lesson the hard way, as I did, that you cannot compromise or equivocate with traitors.

Treason is treason whether it is dressed in Brooks Bros.'s finest suit as liberalism or in the filthy rags of the jumping Yiddish communist agitators of the lower East side.

Only the most courageous and enlightened will learn this from what I write here. The incurable optimists and wishful thinkers who now imagine they can keep their money and still save their race and nation without getting down into the bitter battle with the Jew traitors must learn of their foolishness the HARD WAY - as did the martyred Joe McCarthy.

Until then it is the task of we radical rightists and hard-core "Nazis" to prepare ourselves for leadership of our people when they have had all they can stand of "pansy-ism", "nice-ism", "Kosher conservativism" and Jew sell-outs.

In spite of the despicable smears of those who should be our best friends and defenders that we are "working for the Jews", we will not be found wanting. The American Nazi Party will be ready when our time comes as come it will.

Herewith we reprint one of the most heartbreaking little pieces we have ever seen:

# Anti-Communist Poison Paralyzes Illinois Jewish War Veterans

**CHICAGO — The Chicago Chapter of the American Nazi Party picketed the Worker's 38th anniversary celebration recently. One of the half dozen paraders carried a large American flag while another contemptuously dragged a Soviet flag on the sidewalk as police stood by.**

Anti-semitic and anti-Communist signs were displayed.

**ROCKWELL'S "APPEAL"**

The week prior to the meeting Lincoln Rockwell, head of the Nazi Party, brazenly invited the Jewish War Veterans to join the "anti-Communist" picket line.

In his wire to the "Jewish War Veterans," Rockwell said, "You pose as honest American patriots. You send paid spies to smear and lie on genuine anti-Communists. We intend to expose your real sentiments about the filthy Communist conspiracy."

This bid for a "united front" against The Worker by the Nazis to the Jewish veterans is ended with two words—"Heil Hitler."

**JWV CONSULTS**

Upon receipt of this wire the Jewish War Veterans informed the police, and called together the leaders of many Jewish organizations "to find out what they felt should be done," according to a report in the Chicago edition of Jewish Post and Opinion.

The Jewish weekly newspaper reports that Ed Fleischman, editor of the JWV "Voice," stated that the organization, while incensed by the "hategram," as they characterized Rockwell's wire, would do nothing. The newspaper reported:

**"The JWV leader indicated that the veterans, had they fought the Nazis there, would have looked as if they were supporting Communists. Had they joined in a common picketing, it would have looked as if they were in league with Nazis.**

"So JWV — at the advice of local Jewish organizations — avoided the Nazi trap and did nothing."

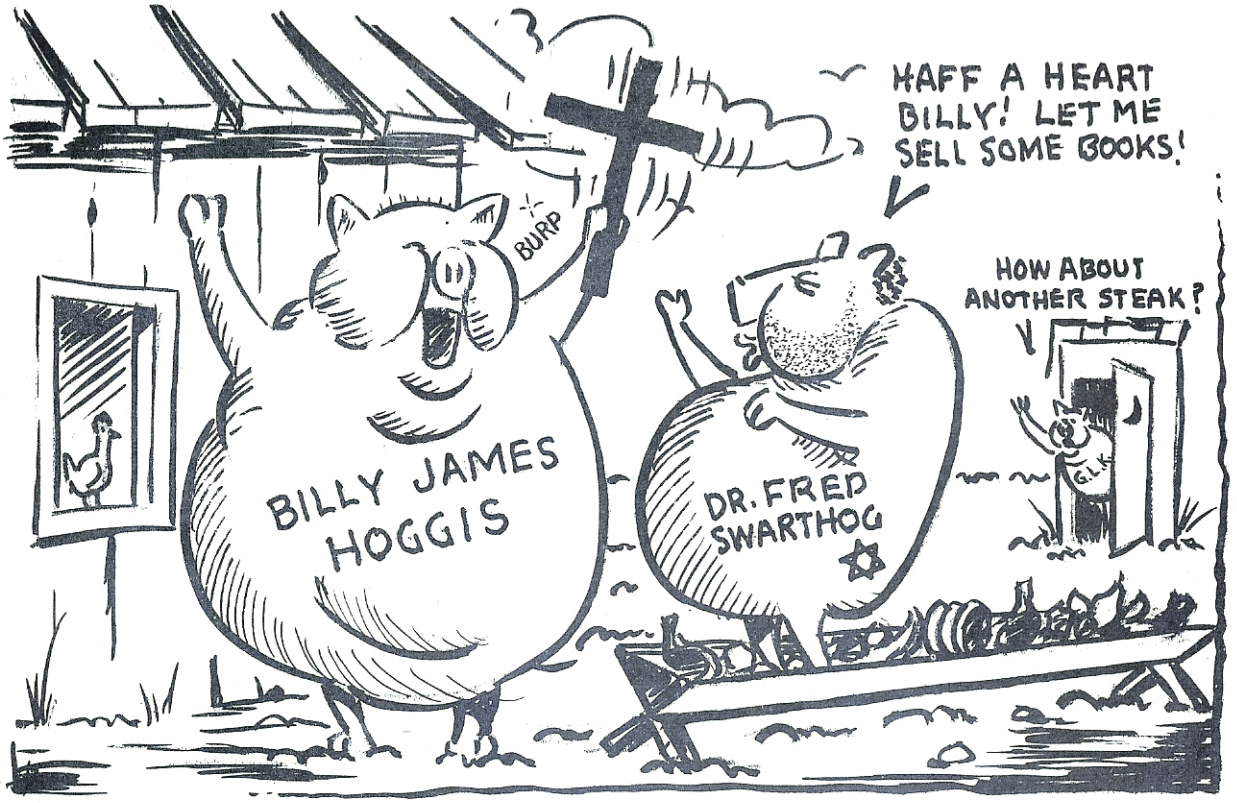
This is the dilemma of anti-Nazi organizations like the Illinois Jewish War Veterans, in the face of blatant fascist anti-semitism. The "anti-Communist" slogan has a paralyzing effect, as this story demonstrates.

—S.K.

There is a great lesson to be learned from this little piece in the Communist Worker. We did not send a telegram to the Jewish War Veterans for a joke. It is a part of our consciously and precisely planned operation to put Jewish traitors in an IMPOSSIBLE situation, just as we have broken the filthy "quarantine" treatment of all right-wing activity by the Jews. In the latter case, by using the name Nazi and dramatic tactics in the street, we have forced the press manipulators and liars into a position where, if they try to ignore our activities their naked censorship becomes too apparent and uncomfortable even for such brassy characters as the Jews. And when they are forced to report our dramatic "Nazi" activities, regardless of how they lie or smear us we build interest and inevitably gain more and more Americans to our cause, especially when they discover the disparity between the Jew lies and the realities of the American Nazi Party and my own person.

In the case covered by the clipping from the Worker we have again pointed up the glaring and damning FACT that the Jew NEVER protests even the most outrageous and treasonable COMMUNIST activity, while they attack us in the most illegal, violent and despicable manner in utter disregard for our rights and their vaunted capacity for tolerance and brotherhood. The Jews have spent 50 years making it legal and safe for Jews to advocate the violent destruction of our great Constitutional Republic and the White Christian people who build it. Now they are having one hell of a time insisting that we have no right to advocate the gassing of these despicable traitors and murderers. The result is nothing less than delightful. Read the clipping again and see if you, too, do not feel the plaintive wnining and whimpering of a beaten gang of swindlers and terrorists "hoist by their own petard".

Does it not break your heart? We will send readers hankies to wipe away the bitter tears.



# COINS FOR CHRIST! - - - - -and Billy James HOGGIS

Last week Billy James Hargis put on one of his high-pressure "patriotic" exhibitions in Washington, and we were once again appalled that honest Americans can be so easily milked of their money by this fat faker.

There may be some who will accuse us of being anti-religious because of our attacks on men like Hargis and Schwartz. We are NOT. The cartoons in this issue were drawn by one of the most devoutly religious men in the Party.

It is the very HEIGHTH of irreverence for anybody to USE religion and Christianity to make money and live in luxury as do Hargis, Schwartz, Smith and the rest of the super-Christian "patriots" who never risk their skins in PUBLIC but put on their corny "religious" medecine-shows to thousands of good-hearted, trusting old folks in PRIVATE.

There ARE honest Christian patriots, and you can always tell them by their manner of living.

Conde McGinley is dirt-poor and utterly sincere in his religion. I have surprised him accidentally in his room and found him on his knees at his bedside. And, while I am not a regular practicing Christian, I respect and admire Conde for his deep dedication to what he sincerely believes.

But a visit to one of Hargis' travelling road-show which should be called "Coins for Christ -- --and Hargis", -should literally SICKEN any REAL Christian. He hypnotizes honest and usually older people with a frightening pitch about the enemy at the gates, --but he does not go down to the gates where the enemy might carve off a few of his three hundred or so pounds. Instead, he gets the good-hearted folks to bow their heads, reminds them that Jesus is watching, and demands they get out their big folding money and hold it up so his brutal gang of harvesters and cropiers can gather it up in their loaded baskets!

It is a thoroughly disgusting, sickening, and UN-religious spectacle.

Just a few days ago in Houston, Texas, I was faced with a most difficult decision in this same matter, when a Texas millionaire wanted me to "put Christ in the fight", -and I decided in favor of sincerity and honesty, -even though it may have cost me the kind of contributions which make possible the mansions, air-conditioned luxury busses and other comforts of the "Christian Crusaders".

I am all for Christian ethics and ideals, and hope that those who believe in a more religious battle than I am fighting will send their money to a REAL Christian, --Conde McGinley. But I will do all I can to expose ruthless politicians who USE religion and Christ to get FAT and live in disgusting luxury.

SHAME on these money-changers in the Temple! If Jesus Christ were here, He would be the first to take a whip to them, as He did so long ago.
